Learn to Speak Basic Japanese Language in 60 Minutes(Audio in mp3) is the perfect boarding pass to learning Japanese. There's no better way to make use of all that spare time on a plane than to master the essentials of a language. This 60-minute program is the simplest way to learn just enough to get by in every situation essential to both the tourist and business traveler. The program covers everything from greetings and polite expressions to asking directions, getting around, checking into a hotel, and going to a restaurant. There are even sections for meeting people and spending a night on the town. Short lessons make In-Flight Japanese easy to use, and a handy pocket-sized insert is included as a cheat sheet for use on the go. Wondering how to make use of all that spare time on the plane while you're flying to Tokyo, Osaka, or Kobe? Between your in-flight meal and your in-flight movie, try some In-Flight Japanese! This 60-minute program is the simplest way to learn just enough Japanese to get through anything you'll run into, whether you're traveling for business or for pleasure. Short lessons make In-Flight Japanese easy to use.
