How To Rake In Tens And Hundreds of Extra Dollars Every Day Simply by Making A Few Quick And Easy Changes to Your Website! Give me 7 minutes and I will reveal the 40 most common pitfalls well-meaning entrepreneurs like you fall into when trying to create a money-making site. You can make many times the profits you are making now without paying one extra penny in advertising or hunting for extra traffic. It's easy if you make a few changes on your site's "ad copy"... Here are some of the things you can learn: The one common online practice that can easily backfire and actually cost you sales. You will learn how to do this the right way so that you make more profits. A dirty little trick "stolen" from offline copywriters and how to adapt this to your website. Do this correctly and the visitors will be so involved in your site they won't even think of clicking away! The 11 points you can't afford to ignore if you want your site to have any semblance of credibility. It's simple: Lose your credibility, lose the sale. You will understand how to do this correctly. What can you learn from newspapers? Grasp this concept and the conversion rate of your site can increase by more than 114! You will laugh once you see how easy it is. Finally analyzed: Should you mention the "technical" features of your product in your web copy? Or not? And why? It may not be what you think it is. An amazing powerful trick to skyrocket the number of people who actually read your salesletter! This can instantly double your profits and you can implement it quickly and easily.
