Create your very own Automatic Money Machine. You'll be given complete step-by-step instructions, showing you exactly what to do from start to finish, so that you can earn piles of cash while you sleep. Step-by-step guide to making money in your sleep available. EVERY Internet Marketing Expert knows that automation is the key to success. Isn't it time that you learned exactly how to automate your entire business? What are the benefits of automation? More time - You can spend your time as you please, because your entire business runs on "Autopilot"! More money - Since your business will be totally automated, you're free to focus on marketing, and expansion - the things that make you more money. Unlimited income - When you automate your business, you can sell an unlimited amount of your products, and it takes no time. Freedom - Making money without having to spend your time, means you can do whatever you like, whenever you like. Time + Money = Freedom! Imagine this: Imagine waking up in the morning (or afternoon), and finding your email in-box filled with orders. They came in while you were sleeping, and you don't even know where they came from. It's just like getting free money . . . it's seems like magic! But here's what really happened: You built YOUR Automatic Money Machine, using the step-by-step instructions in this eBook. Then while you were asleep, your Automatic Money Machine: sent people to your Web Site sold them your product, took their order, charged their credit card, deposited the money into your bank account, and then sent you an email to let you know about it. Your Automatic Money Machine does this for you again and again without any involvement or time required from you. Can you image owning a machine like that? Well, now you don't have to dream about it, because you're just seconds away from learning how to build one. What will you learn exactly? How to automate your "prospecting" - Exactly how to capture prospects and follow-up with them effectively until you make the sale. You'll learn how to automate this process, and you'll even be given templates, so you know what to say. How to automate your sales process - You'll get step-by-step instructions for setting up the entire thing from start to finish. This includes instructions on setting up: Your Web Site Your Ordering System (including different options for real-time credit card processing) Delivery of Your Product Follow-up with Your Customers How to automate customer follow-up and increase profits through

"back-end" sales - Again, you'll learn how to automated the process, and I'll even give you templates so you know what to say! How to automate your affiliate program and make unlimited income - The key to serious income is having hundreds or even thousands of other people selling your product for you. You'll learn all your different options for setting this up. You'll also learn how to automate: Your affiliate sign up, Your affiliate training, Your affiliate tracking, And your affiliate payments. What the best tools and resources to use are - I've spent countless hours researching, testing, and experimenting to find you the best of everything you need. You'll get all my personal tools and recommendations. So much more . . . - It's difficult for me to include everything that's in there on this page, but just listen to what others are saying about "Building YOUR Automatic Money Machine!": Please don't try to build an Internet Business without reading this manual first! After reading this eBook, you'll wonder how you ever survived without the info it contains. You'll learn all the automation secrets that every top marketer's using. And if you are even slightly serious about making money online, you need this info. There's a right way and a wrong way to do business Online - make sure you know the right way! Now, here comes the best part... Royalty Free resell rights included! I know you'll make so much more money in so much less time by applying my system to your business, that you'll think I'm crazy for not charging 10 times as much for this course. Maybe I am, but I'm not stopping there. To make the deal even sweeter for you, I've included the complete resale rights. Giving you the resale rights means you can sell my product you can keep 100 of the profits! (These resale rights are worth \$450!) You'll even get a complete MiniSite, exactly like this one - ready to take order! Your MiniSite includes all the custom graphics, and design work, along with this killer sales letter. That's everything you need to start making money today. (A Professional Web Site like this is worth over \$1000!)
