A Fully Automated Download System For ClickBank Merchants {Affiliate Cloner} Dear Friend, The Download Protector Script is a Fully Automated "Thank-You Page Generator" which is much powerful than a Static HTML Page. This script was developed exclusively for ClickBank Merchants. When you buy this Script, you get Master Resale Rights. That means, you own the copyright and you can sell the master resale rights, resale rights, or whatever you like. You can customize it, brand it, and anything else you want to do and that's because you will get the Source Code of the script, and ready to sell web site (like this one) that will sell the script for you. See what this Script can do for you; This System will verify whether your buyer is forwarded from ClickBank after payment. Order Details including the ClickBank Receipt # will be displayed on your Thank-You page. This System will collect Name & Email address of your buyer. A Sales Report will be sent to you Instantly. A Thank-You message to your buyer without any delay. Adds the buyer to your AutoResponder System, so that follow-up emails will be sent to promote your other products. The whole system is fully Automated. This Script is easy to Customize with any Text Editor. * You don't have to send a thank you message to your buyer manually. * You don't have to add them to your customer database yourself. * You don't have to send them promotional emails manually to promote other products. * You don't have to worry about getting repeated sales. * You don't have to worry about Ebook/Software Hackers. Your automated Thank-You Page Script will handle everything for you!
