Attention Internet Marketers... If You've Been Struggling To Create The Content Rich Websites You Need to Succeed In Todays Ultra-Competitive Internet Marketing, This Will Be The Most Important Letter You Read Today! Dear Internet Marketer, Heres your chance to discover how to begin creating filthy-rich content sites all with just a few clicks of your mouse! Thats right, Im about to reveal an amazing new software program that enables you to create content rich websites faster and easier than you probably ever imagined possible. Discover The Absolute Quickest & Easiest Way to Develop Content Rich Websites! Im about to reveal how you, or anyone else for that matter, can instantly generate websites filled with high quality articles that people will want to read! Its true, if you have ever wished that you could magically produce websites filled with good content that will attract prospects like crazy without having to spend hours at your desk slaving over every little detail, then I urge you to keep reading this letter. At Last! A Way to Get Content-Rich Websites With Just a Few Clicks of Your Mouse! Imagine a software program that allows you to easily create and manage websites as well as populate those sites either with your own content or with high-quality, keyword-rich content that the program itself creates. Now stop imagining, because the program of your dreams exists! Introducing Website Fire! With this amazing tool, you can now get all the content-rich websites up and running that you need to succeed online quickly and easily! Thats right, you can now get sites with well-written content without giving yourself a headache or spending all your profits on programmers or writers fees. These are sites you can use to: Attract thousands upon thousands of highly targeted visitors and leads from the world's top search engines Create an authority hub by providing users and the search engines with fresh content about a product, service and/or niche Establish yourself as an expert in your field now you can easily create content sites that will make you appear to be the expert that prospects should go to when they have a question in your niche! And much, much more! Just Look at What This Program Will Allow You To Do With Website Fire, you can quickly add a new website to any content project and you can add a variety of information to personalize your site such as your website name, main keyword, AdSense pub, Chitika pub, Chitika channel, PeakClick affiliate ID, PeakClick subaffiliate and the url. Once youve personalized your site, you

can then do the following: Have Website Fire automatically scrape for keywords starting with the keyword of your choice! Set the maximum number of keywords to scrape Add your own keywords from a text file Choose how you would like the articles for your content site generated either from your own folder or have the program automatically generate them based on your keyword specifications Configure your FTP settings That's it, you're done! Yes, it's that simple! This is Your Chance to Finally Start Producing the Content-Rich Websites You Need to Grow Your Business & Explode Your Profits! And, best of all, you wont have to ignore other important parts of your business and devote all of your time to website generating. The Website Fire makes creating content-rich websites super fast and super easy leaving you all the time you need to do what you do best, which is make sales and grow your business! The truth is, one of the biggest challenges online marketers face today is creating good, high-quality content-rich websites.
