Viral Mini-Videos Series How To Install An Ad Tracking Script On Your Website (Note: The script is installed on a Unix server with Cpanel) Q1) Do we get free lifetime updates/upgrades? Ans: Yes. Q2) How can we distribute the videos? Ans: i) You can distribute the ebooks supplied by us to your customers. They will watch the videos via streaming or download them from my dedicated server ii) You can upload the videos to your own server if you wish. Q3) Whats the advantage of distributing only the ebooks? Ans: You will not need to worry about web space and bandwidth. Everything will be hosted on my server. Youll only need to distribute the ebooks, which are very low in size. Secondly, you will be able to earn from your customized affiliate links if you purchase the customization (details can be found inside the ebook). Q4) Is the product compatible with Macintosh computers? Ans: Unfortunately no. The ebook will be supplied in exe. format, which is only compatible with Windows. Also, the videos are created in Flash format (swf.) Most computers have this application installed by default. If not, users just need to install a small flash application on their computer (we will supply the download link) in order to view the videos. Tags: im, plr
