How would you like to own your own video website that is constantly automatically updated without you having to do anything? Of course you would!! YouTube In A Box 2.0 give you your own video website powered by YouTube videos. YouTube In A Box 2.0 Will Let You: Just change the variables in 1 file and optionally modify 3 other files for further customization and you have a professional video streaming website, boasting 100's of entertaining videos in 15 minutes or less! Plus so much more... Check out these websites powered by YouTube In A Box 2.0 yesimsexy This Script is Powerful and Highly Customizable Comes with User Manual with straight forward step by step directions on installing and customizing your site. Even a newbie can install this with no problems. Fully Automated Set it up once and every single time there's a new video for your main keyword or keyword tags, your websites gets updated automatically! Dynamically Search Engine Friendly Using dynamic internal linking methods, you can be rest assured that EVERY tag and links gets crawled by the search engine spiders. Imagine...your tags, keywords being crawled....better prominence in SE rankings and position! Does Not Exhaust Your Bandwidth This script uses dynamic pages..in other words, it uses minimal hard disk resources. And because it uses YouTube's bandwidth, your web host will be running on optimum performance! You have ABSOLUTELY nothing to lose but LOTS TO GAIN! If you have read this far, then most likely you're in the same business as I am...and we sure deal with a lot of internet niches and video is one that will continue to increase in popularity! For only \$9.99, this monster of a niche video script can be yours now!! YouTube In A Box 2.0 version is a re-worked version of the original YouTube Video Sites In A Box PRO Edition that includes a number of enhancements and bug fixes to improve usage and compatibility. In this model we have gone away from the desktop software script generator to allow non-Windows users the ability to use this product. This straying from the desktop version also ensures that this software is compatible with all versions of Windows as well. Improvements - Search Engine Friendly URLs (fixed problem with GoDaddy Mod rewrite) - Social Bookmarking widgets on every video page - Integration of Google Analytics - High resolution video preview image on video player - Improved relevant meta keywords - Improved Adsense
