7 Dollar Secrets Script - Mrr

DOWNLOAD HERE

7 dollar secrets \$7 Secrets \$7 Secrets Script Youre looking at a Master Resell Rights offer that includes the website, the e-book, the server side script and the right to set the price of the whole pack however you want. This is a simple way to start making money online. Im offering it here at a good price. You do need your own hosting account. And you should get your own domain name! Full instructions are in the zip file. You can start using it right away. This is the latest version - 2.8 of the \$7 Secrets e-book and Script. On page 27 you get the download link to the server side script. For some people, FTP and HTML are too complicated. If youd rather spend your time promoting this product, youll be glad to know that the author has arranged for several talented geeks to install the scripts and test your site for you. Please watch the video.
