The Parousia is a completion of Fifteen Workshops of divine anchorage of spiritual blueprints that took place from 2002 to 2006, a living hologram through this world and the next - a multidimensional form for transformation. The Parousia is channeled directly from source and those connected to this level, to Almighty God, Shekinah (female God presence), Christ Jesus and Mary Magdalene, and Mother Mary. Includes activational meditations, invocations, practical healing insights, and information channelled from angels. The Parousia is a healing book of awakening attunement and initiation to uncover and rediscover your total being - living your full self in this lifetime - your multidimensional self. Beginning with explanations of how we have come to need Ascension, through to key core material for transformation, finalising with divine recoding to the new realities.
