

Moby Dick, Or The White Whale - Herman Melville

[DOWNLOAD HERE](#)

Moby Dick, or, The White Whale is a book of amazing depth. It can be read on several levels: for over a century it has captivated young readers, naturalists, historians and literary scholars alike. On the surface, it is both an adventure story set upon the high seas and a compendium of information about whales and the whaling industry. But the reader who searches more deeply discovers both a complex psychological study and a powerful allegory dealing with the archetypes of good and evil struggling together within the tenets of eighteenth-century Calvinism. Please Note: This book has been reformatted to be easy to read in true text, not scanned images that can sometimes be difficult to decipher. The Microsoft eBook has a contents page linked to the chapter headings for easy navigation. The Adobe eBook has bookmarks at chapter headings and is printable up to two full copies per year. Both versions are text searchable.
