14 PHP WEBSITE SCRIPTS! FULL RE-SELL RIGHTS! RESELL FOR A PROFIT! This is a great chance for someone wishing to enter the dotcom revolution by selling readymade websites. We usually sell these scripts for a lot more, but we want to allow fellow entrepreneurs on eBay to share in our success. Here's What You Get... Ringtone Website PHP Script (Sell ringtones online) View Demo Photo Rating Website PHP Script (Your own photo rating website) View Demo Automated Slimming Ebook Website PHP Script (Sell slimming ebooks) View LIVE Demo Automated *** Ebook Website PHP Script (Sell *** ebooks) View LIVE Demo Dating Website PHP Script (Run your own dating website) View Demo Guestbook PHP Script (A guestbook for your website.) FAQ Page PHP Script (A Help and FAQ section for your website) Auction Website PHP Script (your own auction website like eBay) Forum Service Website PHP Script (Start a free forum service for webmasters) Banner Exchange Website PHP Script (Start a banner exchange service for webmasters) Classified Ads Website PHP Script (Start a paid classified ads service) Models Portfolio Website PHP Script (Models can create their own portfolios) Real Estate Website PHP Script (Make money from people wanting to sell houses) Jokes Website PHP Script (Start your own jokes website. Users can submit their own jokes) What You Will Also Get... A Simple Guide To Search Engine Optimization (an ebook written by webpreneur Mikey J) An eBay Sales Template (a readymade html sales page to sell this megapack on eBay) Similar scripts sell for 20 - 30+ EACH on eBay. But don't pay silly prices! Get them all here for a bargain price! The scripts come with Full Re-Sell Rights, so you can make a fortune by either splitting them all up and selling them separately on eBay or simply resell this Megapack. All scripts come with full installation instructions, so you could even use them yourself! User tags: php website scripts megapack
