

Write Your Own Cartoons!

[DOWNLOAD HERE](#)

Are you looking for a creative way to inspire your kids to write? What better than to use their love of cartoons! This book contains 26 original black and white cartoons filled with kid-friendly characters and situations. Kids add the words, and an occasional drawn detail to help explain the joke. They'll love the drawings and before they know it -- they'll be writing the dialogue! The age range of the intended cartoonists is from ages 6 to 14, depending on the comic. Some have subjects more engaging to younger students, some to older. Once you download the book, the pages are ready to print off your computer. It's a quick and easy way to stimulate creative writing from your students or children. Format: downloadable pdf 27 pages 26 lessons
