

# Vintage Japanese Geisha Girls - Pdf Scrapbook, Photos & Postcards

[DOWNLOAD HERE](#)

A nostalgic digital album of more than a hundred old photo postcards and antique prints of Japanese geisha girls. Charming and fascinating portraits of pretty girls, many in early hand-tinted color, of these beautiful, traditional oriental hostesses in colorful kimonos. The role of the geisha is often misunderstood. This collection includes pictures of tea ceremonies, bathing scenes, tending gardens, playing music, smoking opium... A downloadable compendium of haunting classic images from the late 19th and early 20th centuries, depicting a pre-industrial lifestyle that has largely disappeared in modern Japan. (A PDF-format, illustrated ebook / slideshow for Acrobat Reader. Includes optional rolling slideshow functionality and random transition effects between images.) A great alternative to a screensaver!
