How would you like to create your own hot-selling Information Product without having to write from scratch (or a single word)? That's 100 articles in total! If you engage ghostwriters to write the same amount (and quality) of articles for say, \$5.00 each, that would be \$500.00 out of your pocket, which I don't think you're willing to let go. But with at least \$500.00 saved and TONS of value added into this package, this is one of the best Private Label article packages you can steal than ask to bargain for in the Internet marketplace. But that's not all. SUPER BONUS: Get A Killer Sales Letter FREE! Since you can also resell these article packages separately or altogether, you can use my principal sales letter to help you sell the Private Label articles! That's another \$500.00 value you're getting, since copywriters would've charged a minimum \$500.00 for writing a sales letter like this. That's right. But since I want to make this readily and easily available to you, I'm going to let you "steal" this package for the price of only \$1,000.00 \$97.00. You won't see it anywhere else (at least, before this page came up). I know there's no great sense of urgency in getting this complimentary offer, but think about it: You could be cashing in on 4 totally different hungry niches by selling your own Information Products, publishing your own newsletters, and building content rich sites. If each niche brings you \$1,000.00 a month, that would be \$4,000.00 or more a month in total! You save at least 5 and a half weeks in writing your own content - assuming you're a good writer, that is. If you don't have a flair for writing, it would probably take forever. And this isn't taking into account the knowledge you might or might not have in all 4 niches. You're getting \$500.00 worth of articles for the price of only \$97.00. That's only a 19.4 fraction in the total cost of the articles produced. You could be earning more reselling the articles package - individually or altogether at any price you want - offering you an instant income opportunity! But just be sure to follow the terms and conditions --- PLR & Master Rights Restrictions You CANNOT give away the Private Label Rights to the product for free. You CANNOT use SPAM to sell/resell the article packages, individually or in full. You CANNOT sell this product, in whatever format, on auction sites such as eBay.com.
