The truth is that it takes just as much effort to get a \$100 sale as it is for a \$1000. And given a choice, which one would you prefer? Having high ticket products to sell is what differentiates 6 figure and even 7 figure marketers from small time business owners who make a 5 figure annual income. And would it surprise you that it is possible to pull off successful high ticket products without earning the glamorous title of a guru? Many non-gurus have proven it, and Go High Ticket! has them all In This Course, You Will Learn: How to unlock the untapped profits beyond your Front-End product - this is where most of the money is REALLY, REALLY made! How to make your customers willingly part thousands of dollars with little or no rejection, or complain about the price tag! How to get high ticket customers - it takes more trust before someone is willing to give a chunk of their hard earned money to you. But heres how you can quickly and easily get high ticket customers without being a well-known guru (because that can take years!) Generating high ticket customers - 3 ways you can go about doing it starting today. 4 high ticket examples and profit ideas - dont know what to offer for a high ticket back-end to your front-end products? Leverage on these proven ideas for your own! Addressing over-promise, under-deliver concerns: learn how to remove yourself from the system and free your time while making more money with less effort!
