[DOWNLOAD HERE](#)

This is Bombon. She is a 3 1/2", 5-way jointed, crochet thread teddy bear. Bombon is made with very thin acrylic yarn, called "Punch Thread". You can make a bear like Bombon using this pattern designed by me Edith Molina. The pattern includes complete step-by-step instructions to crochet and assemble the bear, a list of materials and supplies needed and several photos. You can make your own Bombon bear with this pattern designed by me Edith Molina. The instructions are easy to follow, the pattern has a diagram to assemble the bear and color photographs of the finished bear. Thread crochet bears are miniature crocheted and fully jointed teddy bears made with lots of tiny crochet stitches using a variety of threads or thin yarns. Some of them show off the crochet stitches and the ones made from mohair or acrylic yarn can be brushed for a wonderful fuzzy look. These bears are not toys, they are wonderful works of art for teddy bears collectors. Each of my patterns will add to your knowledge and enjoyment of the art of thread teddy bears. The instructions are easy to follow, each pattern has a diagram to assemble the bear and color photographs of the finished bears. The pattern is in PDF format.
