Welcome To 2dollar Store all our products comes with Resale Rights. Buy from here and sell it anywhere and make big profits or you can use it for your Personal Use. Product Details- Reciprocal Linking...Your Gateway to Wealth! Increase Free Targeted Traffic To Your Website With Power Linker. Your success is preceded only by how prolific your name and your website exist on the internet. This is the goal of every web marketer, even if they are not aware of it. Word of mouth on the web is how many sites mention YOUR website. This takes a few key elements to ever be realized. Integrity, reputation and a viable product are meaningless without the necessary exposure needed to make those elements stand out and been seen in enough places to become familiar. That is the key to successful commerce, familiarity. When you want fried chicken, what is the first thing you think of? For millions, the image of Colonel Sanders and the red and white logo instantly come to mind. Why? Because it was made prolific and familiar. Why Is Reciprocal Linking So Important? The popularity of your site is an important attribute the search engines consider when listing relevant sites in response to a search. Search engines will comb thru a website, and store pertinent info about that site, including these links to other websites. The more websites it finds with your URL in the code, the higher your site popularity is rated. This is not something you can easily attain, and for some nearly unattainable. Until now. With Power Linker, you can offer 100 reciprocal linking with others, and be assured it is viable and easy for you to maintain!. Search engines are still the number one effective means of promotion. Where do you come in at the Alexarankings? True reciprocal links will have a direct impact on this. Fact: You have been winging it and it's just not working for you! Your Site Must Grow In Popularity Reciprocal link exchanges are a mutual agreement between one site owner and another, whereby owner 1 displays owner 2's site URL on his website, in exchange owner 2 will display owner 1's site on his. The problem is, these links often don't remain in place. You never know when your link is taken down unless you manually visit the site it is supposed to be displayed at and check. This can take hours if you have many such links. Only trusted and personal associations with owners will give you the assurance to know without a doubt your link is displayed on their site. Do you know which sites are doing this? Even if you can TRUST your link partners, the fact is that websites

go down or are edited every single day. There has been no way to keep track of this up to now that was affordable and easy to use! An Answer to This Dilemma Has Arrived This amazing new technology has just been created, one that takes the hours to verify you are getting a true reciprocal link, and automates this chore seamlessly and accurately. Power Linker is a simple, easy to use application you can install on your site in minutes, that will ensure your link is indeed on these other sites. NO more need of... - Hours surfing to check these sites that are supposed to have your link displayed. - Time lost to a manual and mundane chore. Instantly verify your links, and see accurate detailed info. This software can even be set to automatic mode working while your sleep. You gain assurance and confidence you have a growing linkage in place, with a simple login to your control panel. Think of how much time you will save, that you can spend on more productive activities. With Power Linker, you can offer a place for others to post their link with the distinct advantage of knowing yours is in place FIRST, before they post theirs! This is a milestone in search engine placement techniques, and you have the outstanding good fortune to come across this amazing product today. The best news is that it is all automatic! You don't need to babysit! Resolve Linking Issues In The Blink of an Eye With Power Linker, you have data instantly at your screen. A mere click of the mouse gives you the data you need to monitor how many and where your link is posted. You will see more traffic because your link remains visible at other sites.
