Create a Home Business Directory Website!! The home business directory is a mega resource for businesses to list their home business's and entrepreneur resources that features a rating system. The administrator can moderate categories, sub categories and listings. This site is a great traffic builder that includes a built in automated banner and newsletter system and sponsor links for advertising revenue generation. The site requires a graphic to be placed on the website of the submitted link, when the admin verifies the link and the link back, the listing can be added to the directory with one click. SUPER BONUS: Order now and receive MASTER Resell Rights so you can sell Home Business Directory Script and keep 100 \$\$\$ of the profits! You'll even get a copy of this sales page which you can easily customize!
