Freemason - Illuminati Pledge Government mind control overlaps with many other things - it overlaps with a higher government and a secret world government called the Illuminati. As I studied the Illuminati I had to also learn about their front that they operate. They hide behind the veil of National Security. They use our patriotism against us and make us think that for our own interest, for our own security of our own nations, that we have to subject ourselves to all the secrecy that they impose upon us. In this book you will discover the lies and secrets that the NWO Elites are planning for the population of the world in the very near future ! ----- Visit our store for more great software & ebooks!
