Step 4 Verification: The next page you arrive on after clicking the 'Create Campaign' button, verifies that your new campaign has been successfully entered into the system. Now you can go and view your new campaign. Step 5: View Campaign After you click the 'view campaign' link you are able to select which campaign you want to view using a select box. Step 6: Get Redirection Link After selecting your new campaign you are given access to the new professional redirection link and the tracking area. This is where you click the redirection link to test and verify it goes to where you want it to. Step 7: Verify Redirect After you click the redirection url you will be sent to the destination for your campaign, and now you have verified that the redirect works. Final Step: Verify Tracker Now that you've verified your redirect, you go back in to the link and tracking area and verify the click. As you can see our new campaign is now Live and Tracking with our new professional looking link. Now think about it.
