In this e-book you'll find the complete transcript of the interview Louis Allport had with Neil Shearing specifically on just one subject: How To Get At Least A Million Visitors A Year To Your Website! Here are some quotations from the e-book: "Neil started on the internet selling a little report called "How To Make Money On The Internet" (which he now thinks is a really cheesy title!) ... and that was just to make a bit of extra money while studying at university. Five years later, Neils online business has grown so much that he now has 4,000 affiliates ... 2,500 customers, and over 32,000 people subscribed to his newsletter. Whats most amazing is that it all started from a business running off free web space!
