Get SEO Secrets Explained and Discover How To Crack the Google Code and Skyrocket Your Site To The Top of the Search Engines! This is the Stuff most SEO experts dont want you to read. How To Conquer The Search Engines And Leave Your Competitors Struggling For Traffic! SEO Secrets Explained is an audio were search engine expert Brad Fallon unleashed some of the potent search engine marketing strategies most experts dont know. When you implement these into your business, your traffic will go up and youll be able to gain customers like crazy! Dont believe me? Check out just SOME of the things youll be able to do when you get a hold of this audio: * How Brad was able to get instant traffic to his site and the type of keywords he concentrated on (most marketers are totally clueless when it comes to this stuff!) * The one secret most people will NEVER know when it comes to harnessing misspellings in an SEO strategy (yes, people DO misspell things when they type into Google! * The format of a website Brad recommends when it comes to siphoning as much optimized traffic as possible (if you think its a classic website, think again!) * How often should you post to your website? Brad reveals the optimal posting rate that doesnt cause Google to raise their eyebrows and ban you for life! * Should you or shouldnt you get your own domain? That is the question thatll determine if youre on the first page in Google or on the 23rd! * The lowdown on meta tags and how you should arrange them on your site (what Yahoo looks for is way different then Google!) * What you need to know about PageRank when it comes to your site (and why you need to get it as high as possible using these tactics! * Does Google Still value reciprocal linking? The answer will SHOCK you! * and a WHOLE Lot MORE!
