You've purchased this product with Master Resell Rights. You are free to sell it and keep 100 of the profits. 1. You can add an un-blockable popup to any affiliate link. Virtually every major marketer online uses them now... and the popup blockers can't stop them. 2. You can add audio to any affiliate link. You know Armand Morin and all the other big name marketing guys use audio on their sites to help them increase conversion rates. Why do they use audio... because it works. 3. You can add proactive live chat to any affiliate link. By showing there is a human behind your business, people will trust your site and your advice a lot more. This extra trust leads to extra sales. 4. You can add a completely un-blockable exit screen to your affiliate links. My programmer figured out a way to add a totally unblockable exit screen to any affiliate link. Every visitor you send to your new turbo charged affiliate link, WILL SEE this second page, which can be any page you want it to be. Tags: plr
