

The Satanic Bible

[DOWNLOAD HERE](#)

The Satanic Bible About The Author: On Walpurgisnacht, April 30, 1966, Anton Szandor LaVey (1930-1997) of San Francisco shaved his head, donned clerical clothing, complete with white collar, and proclaimed himself Satan's high priest. Concurrently, LaVey announced the establishment of the First Church of Satan in America. A short time later, LaVey published The Satanic Bible (1969), affirming in bold language the teachings of the Church of Satan and proclaiming that Satan ruled the earth. This was the dawn of the Age of Satan, he announced the morning of magic and undefiled wisdom. Worship of the Prince of Darkness is at least as old as the Judeo-Christian tradition, and there was nothing new about a belief in magical powers. What was new was LaVey's use of the term "church" as part of his organization's title. While some accused him of blasphemy, he pointed out that the word itself came from the Greek and applied to any group that feels it has been "called out" of society's rank-and-file for a special purpose. And there seemed little question that LaVey seriously considered his church to be quite special. In addition to ceremonies and rituals devoted to the Prince of Darkness, there were weddings, funerals, and children baptized in the name of Satan.
