----- ** 4. Twitter Treasure Chest ** Are you on Twitter yet? Surely an opportunity such as this cannot be missed! Twitter is a global phenomenon that is growing every second of every day, with millions of people eagerly awaiting your messages. All your messages are funneled straight into their page and they don't even have to click to read them, so you never have to worry about email open rates again! There are people in every niche imaginable out there, while researching this book I tried to find one that wouldn't be on there, I thought 'crochet' wouldn't be on there, boy was I wrong! After 8 pages of results I got bored and stopped, people are talking about anything and everything and if you can tap into their conversation and provide them with a good enough reason then you can Flood Your Website With Twitter Traffic! Twitter is here to stay and the smart marketers are all jumping on board for their slice of the pie, look for all the big names in any industry and they are all on Twitter. What does that tell you? It tells me that if all the people who are pulling down huge incomes online are jumping on this trend then I sure as hell had better get on board now while things are still this easy to get traffic and followers! I've uncovered devastating methods of Twitter domination that can have you at the head of a hoard of hungry followers who hang on your every word. Forget list building, this is list building on steroids, where people login every day just to see what you are up to and what cool things you are going to introduce them to today.
