An option to add your One-Time-Offers (OTO) to the welcome page Provides a lost password retrieval utility for your members to retrieve their forgotten login details. Creates Difficult to guess Signup Page URLs and Database names for extra security Provides details on Data backup and signup page settings in the System Settings page. Desktop tool with built-in Tutorial and help. Works in Microsoft Windows Vista, XP, ME, 2000 and 98 OS. How to Create a membership site in 3 easy steps? Step:1 Launch the Program Double-click on the icon to launch the program. Step:2 Fill up a simple form You have to type certain details in a form as given below:- Enter your website address, web hosting login details, members folder, membership script location, name, email, admin password etc. Details of each field has been given in the tutorial, so filling-up the form is not a big deal. Step:3 Click on a Button Click on the 'Create Your Membership Site' button and the system will

start creating your membership site and install necessary files to your website. Within 60 seconds, your membership site will be ready and you will be forwarded to the following page:- Is it complicated ? Absolutely not. Your membership site is ready. Now you can upload the content for members into the password protected folder as specified in the tutorial. Your Membership site users will be able to access the content only with their unique user ID and password. Features added in the new version

- 1) Multiple Signup pages. In the new version, we have provided 3 different signup pages instead of a single signup form given in the previous version. Common Signup Page This Common Signup page will work with any payment processor like Paypal, Clickbank, 2Checkout and others. This Signup page can also be used for Free Membership Access. Signup page exclusively for Clickbank Customers Using this Signup form, only paid Clickbank customers will be able to create membership account. Clickbank Receipt number, customer name and email address will be added to the database. So its easy for you to list or search Clickbank customers in the Admin Control panel A Signup page exclusively for Paypal Merchants Only paid Paypal customers will be able to create membership account (Using paypal IPN). Paypal Transaction ID and Paypal Email will be added to the database. So its easy for you to locate members paid by paypal.
- 2) Advanced Search Feature In the new version, we have added an advanced search features. Now you can search User ID, Signup Email, ClickBank Receipt#, Paypal Transaction ID, Paypal Email, name and IP Address.
- 3) Member List Option: In the new version, two list buttons are included - list new members and list all members.
- 4) An Option to add your One Time Offers (OTO) in the welcome page. Just copy and paste the OTO page HTML code into the Admin Setup page and OTO will be displayed at the bottom of the welcome page. So all new members will see your new Offers after they created a membership account.
- 5) Encrypted Paypal Button Code Fields. Instead of providing Raw Button Code fields, you get Encrypted Paypal Return URL, Notify URL and Custom Field for extra security. You can easily copy and paste those fields into your paypal buy now/subscription button code. For each signup, the system will verify with paypal whether the new member is paid the exact amount you specified to the given paypal email address. This option is suitable for both single payment membership access and monthly recurring membership access.
- 6) New additions in the setup page - OTO setup, List of Signup page URLs, Encrypted paypal fields, Data backup details.
- 7) Removed bugs and added anti-hacking module. Your Membership Site Admin Control Panel is 100 safe and secure. No Unauthorized Access will be allowed. The following message will be displayed if somebody try to access

your Admin Control Panel. You don't have to worry about hackers attempting to create a membership account from the Paypal or Clickbank Signup page without making payment. If somebody is trying to access the signup page without making payment, they will be forwarded to the following screen:- This tool will create random signup form URL with numbers and alphabets that is very difficult to guess. Also the name of Users' Database file will also be named with random numbers and alphabets combination for extra security. Note that we provide a detailed Tutorial with this software. So its very easy for you to start using this software. You don't need any experience in software development and script installation to use this Desktop Application. What if a member forgot his User ID and Password? Not to worry, you don't have to manually send those details. We have included a Lost Password Retrieval utility in your Membership Site. Users login details will be send to his email address that he entered during signup. Please Remember, you don't have to worry about Manual Membership Script Installation, No more MySql Database setup. No Manual Script Installation.
