From: Calvin Woon & Jonathan Teng (IM Buzz Creators) Date:Wednesday, September 01, 2010 Dear Forum Marketer, I'm sure you should be no stranger to surfing forums and how they can be used to help you build credibility. By posting helpful information regularly on highly trafficked forums in your niche is indeed one of the best ways to be quickly recognized as a regular info contributor and expert in the niche. But have you ever felt overwhelmed by the sheer amount of forums in your industry and wished you could have an easy way of managing your posts in the various forums? If you have, then you're not alone. I'm sure all forum marketers face this consistent problem as sometimes, it can be difficult to keep track of all the forums that you regularly visit. Also, having to make multiple posts and multiple posts can get EXTREMELY tedious. Now if you're looking for a quick and easy way to organize your forum postings and login details, look no further as we have GOOD NEWS for you! We've come up with another amazing piece of software which allows you manage your forum marketing efforts with just a few clicks of the mouse - Forum Buzz. Forum Buzz offers the easiest and fastest way to customize forum posts and messages and helps you to organize them easily. You can keep a list of forums that are related to your niche as well as save your forum login details. All these will free up a HUGE chunk of your time and enable you to be recognized as an expert in your field in the quickest time possible! You can give the rebranded software away and use it to explode your list or you can choose to sell it and cash the full amount for yourself. You can even submit your rebranded software to software download sites and let it be downloaded over and over again on autopilot mode. Your advertisement will be viewed by every single person who is going to download and use your own rebranded version of Forum Buzz. And through your own links and banners inside the software, this viral tool will bring you tons of traffic and sales for YEARS to come. In other words, it will be like an automated sales agent working for you day and night... NON-STOP... And guess what?
