How To Market and Promote Your Sites Using Squidoo by Jim DeSantis Jim has been having great success driving free traffic to his blogs by creating Squidoo lenses. What is Squidoo, you ask? Its a simple way to post a snippet of an article or website that visitors to your lens (free web page) on Squidoo will click through to read more. It really works and it only takes a few minutes to set up a lens. The advantage of this platform is you can set up as many lenses as you like in as many niches as you like. There is no known limit. This free ebook will teach you how to get started and how to make the most of this high traffic platform.
