"Discover How To Quickly & Easily Maximize Your Email Opt-Ins, Have Your Visitors Tell You Exactly What They Want To Buy From You - And - How To Create Great-Looking Minisites With Surprising Ease..." PLUS - A Special Bonus For You: If You Order Today You Also Get Full Resale Rights To This Product And Website So You Can Sell It Yourself And Keep Every Single Dollar You Make! Hi, I'm Louis Allport, How would you like to have a brand new "Squeeze Page" on your website and collecting email addresses for you... in the next 30 minutes? That is what I'd like to show you -- how to create a fully functional Squeeze Page, create a minisite for it, and have everything online in 30 minutes flat. Well, perhaps an hour if you prefer to work at a more leisurely pace. :-) Squeeze pages don't have to be difficult to create ... even if you don't consider yourself technical in the least, but are comfortable using the basic features of software like FrontPage or DreamWeaver (or even free software like Nvu and Composer) that's all you need. It really can be a cinch to create fantastic looking Squeeze Pages. And that's not all... Want Easy Money? Here's the formula to getting the easy money online: Sell your visitors EXACTLY what they want to buy. Sounds simple right? And it can be. I'm going to show you how to put together great-looking and VERY EFFECTIVE survey pages in less than an hour. These special survey pages will get your visitors sending you information on EXACTLY what they want to spend money on, right into your inbox. And once you have this info, the faster you can turn the survey answers you receive into a product your visitors WANT to buy from you, the sooner and the bigger you'll cash in. Why do you think million dollar marketers online ... even billion dollar companies like Microsoft SURVEY their customers? Because it helps make them a LOT more money. I reveal exactly how to surprisingly quickly and easily create Squeeze Pages and Survey Pages to boost your profits online -- and how you can have these pages online in the next 60 minutes from right now! These deceptively powerful tactics come in the form of five videos you view directly at your computer. I've called this set of coaching videos Instant 'Squeeze Page' Mastery: For PC's Only - Not For Mac I must tell you that this eBook only works (to my knowledge) on PC's. If your computer is running Microsoft Windows, you won't have any trouble at all viewing this eBook successfully. However, if you're on a Mac you'll more than likely have trouble viewing it. A Great Product

+ Resale Rights = BIG Profits For YOU I'm sure you know there's a ton of eBook resale rights around these days. BUT - if you really want to make money selling an eBook you have rights to, you need: * A very high quality product. * An effective sales letter. * A professionally designed website with great looking graphics. Now - this eBook is brand new. Get a copy now, start promoting it immediately and you'll make the most profits. Wait a day or a week or a month, and literally more and more profits will pass you by. Now, I'm certainly not saying this to brag, but I wrote this sales copy, and my copy has sold hundreds of thousands of dollars worth of products online, if not millions of dollars worth. AND - from very affordable eBooks like this one. Don't believe me?.....
