"Now You Can Earn Instant Commissions From Your Wordpress Blog On Complete Autopilot With Just TWO Minutes Of Setup Time..." Introducing...The WP ViralUnlimited Plugin! What The WP ViralUnlimited Plugin Does: WP ViralUnlimited adds an INSTANT COMMISSION photo ad to the beginning or end of every blog post you make, on complete autopilot. When your readers click on the ads and make purchases, you will earn between 50-100 INSTANT commissions, paid directly to YOUR PayPal account. The affiliate program and product lineup are geared towards "Internet Marketing" tools and training. Check out the sample ads below to ensure that these types of products are a good fit for your blog readers. We only accept IM targeted blogs into our network at this time. Here's How It Works: Step 1. Upload the plugin to your blog's /wp-content/plugins/ folder. Step 2. Activate the plugin in your Wordpress dashboard. Step 3. Go to the settings tab and insert your ViralUnlimitedaffiliate ID, as well as your display preferences, then click save. That's it! Now every time a post is made to your blog, the plugin will automatically insert a new photo ad for an instant commission product! It will ALSO automatically insert an instant commission photo ad on all of your PREVIOUS posts too, so you stand to earn from every post you've every made! You will earn between 50-100 instant commissions, directly to your paypal account when your visitors click on the ads and make a purchase. You will also earn ADDITIONAL 50-100 instant commissions when any of your referrals buy an upgrade offer. Some of the offers shown will be 100 free for your users, and will cookie them as YOUR referral for future sales! So when they make a purchase, YOU will earn instant commissions. Once you've set this up (2 minutes?), you never have to touch it again! We are constantly adding brand new products to our lineup, and new ads will automatically show up live on your blog within an hour of being added to the system. There is nothing for you to "do" or update, we handle everything automatically and only show our highest converting offers. We make money when you make money, and the long term relationships we develop with our affiliates can't be beat! We'll do everything we can to provide you with up to date, hot selling offers that convert your clicks to buyers. ***** HINT: PERFECT Plugin for Autobloggers!
