What's a good girl to do when all her friends stop living by their chastity pledge? She has no choice but to go bad! Annie is a goody two-shoes who just can't understand why everybody else in the world can't be pure and chaste just like her. All her friends from her abstinence group are now having wild, unrestrained sex while she alone is holding out. Her friend Alicia thinks that she would be much happier if she would just let loose so she concocts a plan to make Annie see the light. The problem is that Annie is so uptight, she thinks that this will be a losing battle. However, turning out Annie might just be a little easier than she thought. Chock full of group sex, orgies, hardcore sex and girl/girl action, Goody Goes Bad! is the book for the person who likes their erotica humorous and hardcore.
