Forbidden Knowledge Conference UK 2006 The Official audio file about the Philip Gardiner's Forbidden Knowledge Conference UK 06 featuring some of leading authors in the subjects of the metaphysical, paranormal, historical and unexplained: Philip Gardiner, Dr Robert Feather, Andrew Collins, Tim Wallace-Murphy, Michael Cremo, Nick Pope, Crichton Miller, Hamish Miller, Alan Alford and special speakers Dr. John Jay Harper brought by Conscious Media Network. Recorded at Stoke on Trent, Kings Hall, this special audio includes speeches and special interviews with the authors. Over one and a half hours of fascinating topics and information. Music by Soul Path, Warrior, WWIII and many others. From the U.S., Michael Cremo, best selling writer and researcher, came to show his evidence for the ancient antiquity of mankin stretching back millions of years. From the UK, Philip Gardiner spoke about his experiences at the hands of the sinister order, the Holy Vehm. Andrew Collins gives a lecture on his new writing, the Cygnus Mystery, explaining how the radiation from Cygnus may caused human evolution yet. Alan Alford is known as the world's leading authorities on the Great Pyramids and he gave a unique presentation of his beliefs. Hamish Miller dowsed around the stage and revealed the earth's power for all to see. Nick Pope is "Fox Mulder" in the U.K. and he revealed the British X-Files for all. Then Tim Wallace-Murphy, an international best selling author and world-renowned lecturer spoke about how to crack the mysterious symbols. Crichton Miller revealed the spiritual depths and physical uses of the ancient Celtic Cross and the Robert Feather revealed the Jesus of the Essene and the burial place of John the Baptist.
