

Mikey J's Meta Tag Wizard

[DOWNLOAD HERE](#)

Easily create Meta Tags to optimize your website for search engines in minutes using this simple software! For your website to rank higher in the search engines, your website code needs to be search engine optimized with meta tags, which tell the search engine spiders what content is on your website, in order to rank you correctly in search engine results. Meta tag code includes the description of your website and keywords and phrases relevant to the content of your website. This neat little piece of software creates the meta tag code for you! All you have to do is enter your website details and, hey presto the code is created, ready for you to paste it into your website html code! It's that simple! File Format: Application Operating System: Windows FREE MASTER RESELL RIGHTS! This product comes with FREE MASTER RESELL RIGHTS! You are allowed to sell copies of this product to your customers and keep ALL the money you make from it! You will also receive a readymade HTML sales page to use on your own website or on eBay to resell this product! With Master Resell Rights, you can ALSO give resell rights to your buyers!
