Attention: This Method Has Never Been Discussed Before... Anywhere! "Discover The Simple Copy & Paste Traffic Method That Will Break Into Any Niche, The More Competition the Better!... 100 Guaranteed" Dear Frustrated Internet Marketer, Have you read the book by Seth Godin, Purple Cow? Well... if not.. you really should... It talks about being remarkable... but what's important here is, it talks about marketing to the innovators and early adopters of a niche... what Seth likes to call SNEEZERS... The method you are about to discover... focuses on getting the attention of none other than SNEEZERS! "This Method Will Work... No Matter What Type of Site You Have!" Maybe you are an affiliate for someone else's ebook or maybe you own your own products. You can promote digital information products or physical goods like food supplements (or whatever else). You can promote "pay-per-sale" or "pay-per-lead" products. You can have AdSense on your pages - it doesn't matter. What's even better is that you can get traffic from it in as little as 24 hours, the traffic will be super high quality and you will need to do almost zero work! It's NOT about spamming the search engines with 1000s of pages of crap! It's NOT about spending an arm and a leg with Google Adwords only to wake up the next morning to find out that you didn't make a single sale! It's NOT about buying links from "link brokers" or "link farms"! It's NOT about "WEB 2.0", "Social Bookmarking" or whatever the new flavor of the day is! It's NOT about using classified ad sites to "get your offer in there"! It's NOT about spending all day writing articles hoping that "someone" will "pick them up" and send you some visitors! It's NOT about begging Joint Venture partners to "blast your offer" or having thousands of clueless affiliates who won't make a single sale! It's NOT about Blogs, Wordpress Plugins or any method that requires you to be technical It IS for YOU if you want to start getting traffic to your site in as little as 24 hours (I designed this system for myself first and foremost, because I get very impatient at times) It IS for YOU if you are sick and tired of all the changes in the Google algorithms and "Google Slaps" It IS for YOU if you are lazy or too busy to "babysit" your traffic method It IS for YOU if you are short on cash and don't want to gamble with your money. With this system, you will be making money before you actually pay anything (and again, this has got nothing to do with affiliates or Joint Venture partners) "This Method Has Never Been Discussed Before In Any Other

Ebook, DVD or Seminar And I Doubt It Will Be Explained Again!" Well, for the most part, traffic methods are separated into free and paid ones. An example of a "free" traffic method is Search Engine Optimization. You pay nothing when someone clicks on one of your search engine listings. However, SEO can be very complex, technical, time-consuming and unstable - you can wake up the next morning and all your rankings may be gone. That's no way to run a business. An example of a "paid" traffic method is Pay-Per-Click advertising. You can have traffic in hours (or even minutes) to your website. However, PPC can be expensive and eat through your budget faster than you can say "Google Adwords."

Many marketers have lost their shirts with this method - with few if any sales to show for it. I'm not saying that SEO or PPC are useless. If you know what you are doing (and, if you get a little lucky) you can do very well with them. However, out of necessity, I sat down and thought... "What if There Was a Method That Combined the Virtues of SEO and PPC Without the Faults?" And thus, The Traffic Hybrid System was born. It's about "paying" for a "free" method - but with several twists. In one sentence, this system is about having other people posting on forums in your industry promoting your products (or products you are an affiliate for). The forums in your industry are where most of your buyers/sneezers hang out - and you can tap into that! BUT, the system is not as simple as it sounds. There are MANY mistakes you can make if you don't know what you are doing. Of course, if you DO know what you are doing, you can earn the maximum amount of money with the minimum amount of time and effort. "If Google Has Been Kicking Your Ass, Now Is The Time To Kick Theirs!" First of all, it's F-A-S-T. Once a post is made on a forum, many of the forum members will read it and then visit the website that is in the "signature file" at the bottom of the posts. It's L-A-Z-Y. Many people don't have the energy or time to spend all their time posting on forums. That's why you will let someone ELSE do the dirty work while you enjoy your life It's C-H-E-A-P! I'll show you how to find people who will make intelligent, friendly posts on relevant forums - and they will do it for less than minimum wage! (hint: If they enjoy doing it, they won't charge you as much and their posts will actually be higher quality :-). On a "per click" basis, it's much more affordable than PPC! It's S-A-F-E. You will not pay any money upfront. You will be making the sales from your affiliate products (or your own products) and you will be paying AFTER that (typically after 20-30 days of the first post - and even that is negotiable). It's S-C-A-L-A-B-L-E! This is a big one: Many people struggle because they spend \$5 a day and make back \$10 (for a profit of \$5). But what if you spent \$50 to make \$100? Or \$500 to make \$1000? Once you find a good market, you can hire TEN people o post for you in that

market (or even in different markets) - and again, you don't pay them upfront! It's S-T-A-B-L-E AND S-U-S-T-A-I-N-A-B-L-E! You don't have to worry about Google de-indexing your site or changing their algorithm. And, once you get the ball rolling, you just keep paying the good people who post for you and they will be happy to continue doing so. You will be writing small checks to receive bigger checks.
