

Patent Document Collection On Mannequins - Technology & Design

[DOWNLOAD HERE](#)

Patent document collection on "Mannequins - Technology & Design" 62 patents - together approximately 500 pages of paper (if printed) From national and international patent databases. Patents mostly in German language. Description of content: The technology compendium around mannequins and accessories. A unique collection of ideas for developers, handymen and self-builders. In this extensive patent collection you will find countless examples of developments and design showcases of all kinds. Here you will receive comprehensive technical descriptions and detailed drawings of mannequins, fashion dolls, clothing displays and much more. And all this at around 500 pages! Extremely valuable and useful material both for professionals, as well as for self-hobby builders. The patent documents are also helpful for restoration. A genuine treasure trove of information! Each document is structured so that the invention in text and drawings more closely described and displayed. This enables you to understand design and function of the invention in all details! All patent documents in PDF format. The PDF files can easily be read on screen or can be in any desired print size. The possible use of brand names in this offer is only item description and the unique assignment of the product. The product is not directly linked with the brand owners or their representatives.
