Enough of the tedious work! With our software you can spend your time on more enjoyable things! Just think about it. Which of the following would you rather be doing? Spending time with the kids, going out to eat, watching a good movie or trudging through creating a time-consuming sales page? The answer, I'm sure you'll agree, is obvious. Anything but dragging your feet through sales page hell! Dear Seller, Isn't your time booked solid as it is? Wouldn't it be great to free up some time? As a fellow marketer, I know exactly how you feel! Time is of the essence and I use shortcuts as much as possible. Well, here's some good news that you're sure to be tickled about. Kim Enders' Sales Page Rapid fire is a shortcut in itself and it won't jeopardize the quality of your sales pages. On the contrary, this fantastic software will help you shortcut your way to quickly creating professional-quality sales pages without all the html and formatting headaches. So, how about it? Are you ready to dump the tedious, time-consuming process of manually creating all of your sales pages? If so, read on! Introducing Sales Page Rapid Fire! As an developer of unique and original eproducts, I needed an easier and quicker way to pump out sales pages for the various products I create each month. Popping out sales pages in some of the more popular html editors was still an enormous, heavy monkey on my back. Do you have a similar heavy monkey on your back? It's always best to find out everything you can about a product before buying it. With that in mind, we've included the following frequently asked questions about our software: Question: But there are sales page creators everywhere, right? Answer: Yes, but none of them are as quick and user-friendly as Sales Page Rapid Fire! Question: Aren't most sales page creation programs rather cheesy? Answer: Most are! Sales Page Rapid Fire, on the other hand, is sleek and visually appealing! Question: I've had a lot of problems with software crashing my computer or doing all sorts of other annoying things. What about SP Rapid Fire -- it it also plagued by bugs? Answer: In a word: no. Through our testing, we have found the software to be very stable. Question: Lay it on me, already! How much is Sales Page Rapid Fire going to cost me? Answer: Only \$\$ Question: Are you serious?! Answer: Very serious. But I have been thinking about raising the price so make sure to order your copy before I do decide to go ahead and raise the price! Continue reading and you'll see exactly why Sales Page Rapid Fire is such a great investment! SP

Rapid Fire boast the following features and more:

- * User-Friendly Interface - It simply couldn't get any easier to navigate through our software! No need to be stuck on one step as many software cause you to.
- All of the steps are outlined and accessible at the tope of all windows! Jump around as you wish -- it's much easier that way.
- * Professional-quality output - This sales page was created with Sales Page Rapid Fire. By using SP Rapid Fire, you too could be making professional sales pages just like this one with minimal effort!
- * Ability To Preview Your Sales Pages - A simple but valuable feature of SP Rapid Fire, you can preview your sales page as many times as you wish while you're creating it. Gone are the days of having to start all over if you botched up just once!
- * 3 Customizable Sales Page Templates Built In! - 3 Template Options -- They're all you'll ever need to make great sales pages every time!
- * Save Option - You can save any sales page you work on (at any point) by clicking just one button!
- * Ability to easily include your graphics - No need to hard-code graphics into your salespage. Just browse and find your picture file. Click one button and SP Rapid Fire will automatically insert it for you!
- * Automatic Testimonial Building! - Just copy and paste a testimnial into the testimonials box. Click 'Save' and SP Rapid Fire automatically inserts the testimonial for you. No more wasting time creating tables and formatting them!
- * Easy Feature-Add Option - Instead of one window where you type in all of your benefits, SP Rapid Fire lets you list and name options one at a time. SP Rapid Fire then takes the features and formats the text and list automatically!
- * Easy Ezine Sign-Up Web Form Integration - With SP Rapid Fire, it's as easy as copying and pasting the web form html code into one the software's designated window and going on to the next step!
- * No Need To Manually Insert Your Paypal Button Code! - Just copy and paste your Paypal button (html) code into the window we have set up for it and go on to the next step! It's really as easy as that!
- * Extended Font and Color Capabilities - Unlike other software out there, while you're creating your sales page within SP Rapid Fire, you can easily modify your fonts and color. A BIG PLUS!
- * Makes Pumping Out Sales Page After Sales Page Easy! - Most people burn out after creating one sales page manually. With SP Rapid Fire, you won't burn out so quickly since the software handles just about everything!
- * No Smarttags Or Bulky HTML! - SP Rapid Fire does not add ten tons of gunk to your html code. For this reason, your sales page size will be smaller and your page will load up quicker than if you used certain popular html editors.
- * User Guide Included! - Although we consider SP Rapid Fire to be extremely easy to use, we've put together a user guide to help you along and to explain what's what.

This, of course, comes with the software. No offense, but going on without Sales Page Rapid Fire is like

the blind walking without an eye-seeing dog! Creating your sales pages manually entails a whole lot of stumbling and wasted time! With SP Rapid Fire faithfully at your side, you can get done in a more timely and peaceful manner!
