If Private Label Products are your bread and butter... then you definitely don't want to miss out on this incredible opportunity. Here's everything you'll receive if you're one of the lucky few who invest today: A professionally designed "effective" squeeze page with built in autoresponder form. The squeeze page is already coded for Aweber so just a few tweaks to the HTML and you'll be all set if you use Aweber, or you can have it setup for any of the most popular autoresponders out there like Email Aces, Get Response, 1st Shopping Cart, etc just as easily by tweaking the code a bit.. We've also included a "getting started" guide that will show you exactly what you need to do to edit the code to work for your own autoresponder service. You can view a screenshot of the squeeze page here! You're also going to get all of the cover graphics and PSD files that go with the offer. This would include a report cover, a dvd cover and dvd graphic plus a grouping of all three covers in one image. You'll also receive the complete "You've Got Cash" Special Email Marketers Report for the email marketing lesson. The report also includes a bonus video courtesy of Louis Allport (with giveaway rights) (hence the DVD graphic) that compliments the report wonderfully and adds to the perceived value for your customers.. The source doc (word doc) file for the report so you can edit it, add to it, turn it into an online lesson (hint: adsense income) or whatever you'd like to do with it. Also included is a copy of this sales page and a thank you page, with graphics. That means you can resell the "You've Got Cash" package yourself and keep 100 of the profits. If you have purchased our PLR products in the past you know we spare nothing when it comes to quality. Plus, there's plenty of opportunity open for you to add, edit, and customize the report to your own liking and add plenty of affiliate promotions, etc. if you'd like to. Having said that, you'll have a truly one of a kind - NEVER BEFORE RELEASED - PLR product you can sell individually, offer to your list or add to a membership site immediately. PLUS... for those that want to take true advantage of the lucrative "Money Making Niche" and start building your own targeted list, this is the perfect product to do it with. The squeeze page has been written and optimized for the maximum number of visitors to subscribers and once you've built your list from this product that's truly when your opportunities are endless. Just think...

All those that subscribe are interested in Money Making Opportunities and most likely have an online business. All you need to do is follow up with Clickbank endorsements and some products of your own on a regular basis. The money is truly in the list! We won't go into all the benefits of the PLR aspect but we will say that you can easily make your investment back 100 fold with this PLR product if you play your cards right. Have a list already? Send an email promotion and you're virtually guaranteed a big payday with this product. NOTE: No need to be concerned about any image licensing rights either. All graphics were carefully designed without the use of any stock photos! You get the private Label Rights and the Master Resell Rights To This Incredible Package! Tags: plr
