Planning for rainy day activities doesn't have to be expensive, complicated, or time consuming. Even if you are not crafty (and most of us aren't) there are plenty of activities you can whip up in a pinch. Children can do the most creative things with the most innocuous items and you can help them make things on the cheap. All it takes is a little ingenuity and some planning ahead (that's where this ebook really helps the parent!). Keeping your little ones' minds stimulated, especially when it's rainy outside and the kids are bored, has never been easier. Tags: rainy day activities for kids
