Unlock The Private Label Rights To This Brand New "Never Before Released To The Public" Mini-Course SQUEEZE PAGE Package And Take Advantage Of All The Extras! The \$100 A DAY Income System! But be forewarned... I'm limiting the rights on this incredible package at this blowout price to the first 50 Subscribers Only! Hi Fellow Netpreneur, The holidays are here so I'm going to keep this as short and sweet as possible. Most of you know the incredible value to PLR rights so I'll skip the details of why you need this package and get right into what's included. First... you get full UNRESTRICTED private label rights. Once purchased, it's yours to do whatever you'd like.... No strings attached. Here's what you'll receive: * A professionally designed "Gorgeous" squeeze page created by your's truly with built in autoresponder form. The squeeze page is already coded for Aweber so just a few tweaks to the HTML and you'll be all set if you use aweber, or you can have it setup for any of the most popular autoresponders out there like UnselfishContactor, Email Aces, Get Response, 1st Shopping Cart, etc just as easily by tweaking the code a bit.. As mentioned above, you'll also be receiving the custom Thank You Page . The Thank you page is coded to forward the aweber variables to show the subscribers first name and personalize the page a bit. * You're also going to receive the software box cover and website template for the ecourse. I recommend you deliver the ecourse in the web based template simply because you can easily add affiliate endorsements, adsense links, clickbank products, etc as you see fit. * You'll also receive the complete 3 lesson ecourse for the \$100 A Day system. The course is divided into three lessons that encompass the topic of writing product endorsements for clickbank and PayDotCom products and how to use the power of these articles to steadily increase your affiliate commissions to \$100 A Day. You can read lesson 1 of the three part course here: * You'll also receive all the PSD files for the graphics as well For those who've purchase my PLR products in the past you know I spare nothing when it comes to quality. Plus, I leave plenty of opportunity open for you to add, edit, and customize the course to your own liking ;-) In addition, I recommend (and usually create my e-courses in a web based format to allow you to monetize from affiliate products and adsense as well). Because the ecourse covers the topic of article writing and submission, you have at least a dozen opportunities to add some clickbank

endorsements for some of your favorite products and earn some easy commissions on the back end. Having said that, you also have a truly one of a kind - NEVER BEFORE RELEASED - PLR product you can immediately offer to you list or add to a membership site instantly. PLUS... for those that want to take true advantage and start building your list, this is the perfect product to do it with. The squeeze page has been written to optimize the max number of subscribers and once you've built your list from this product that's truly when your opportunities are endless. All those that subscribe are interested in Money Making Opportunities. All you need to do is follow up with clickbank endorsements on a regular basis. The money is truly in the list! But that's another topic in itself ;-)

I won't go into all the benefits of the PLR aspect but I will say that if you can't make back you initial investment on this immediately... you should probably find a new line of work ;-)... just kidding! C'mon smile a bit ;-)

But I do think you'll have no trouble getting back your investment 100 fold. So how much is it? I plan to offer this exact Squeeze Page package after the holiday for \$47. Right now I'm offering a 50 discount so you can grab your Unrestricted PLR copy for the next 7 days only for just \$5 After 7 days.. this page will reflect my full price there is one catch... I haven't yet had time to put a sales page together so that's up to you but I'll think you'll agree that at this price (or any price you'd like to offer it) the product and graphic squeeze page design sells itself! You may also take portions of this page as well if you so desire or send me an email and I'll send you the link to this page again for copy ;-)

- all Vault Members Get This Sales Page As Well. So, how do I order? Simply click on the PayPal link and make payment of \$5 and you'll be redirected to a download link where you can download the entire package immediately. Please note however that once I've sold 50 packages at this blowout price I will be raising the price. This package is easily worth \$97 at a discount, especially once the sales page is completed so act fast and take advantage. REMEMBER... this is a product that has never been seen or heard of on the net so you're getting first crack at sales! Go get em! Tags:
