Next, login to your favorite PPC account, use their tools to find 5 and 10 cost per click longtail keywords and start your campaign to get traffic and commissions. With millions of products on eBay, the limit is only your imagination. For example, if you discovered scrapbooking is an affordable keyword -- or one of its longtails, type scrapbook in your eBay search box and this is what you will find. Here are some more ideas for rock-bottom price niche keywords: cat condo, scented jar candle, gasoline scooter, curling iron, paintball gun barrels, conga drum, yoga mat bag. Let your imagination go wild! No more making niche site after niche site No more headaches writing, editing or submitting articles No more frustration and hassles with SEO (Search Engine Optimization) No more hours and hours wasted every week Remember, the strategy is to get targeted affordable traffic and profitable commissions. This fantastic method pinpoints what a person is searching and matches it exactly to what they want to buy. Landing pages don't get better than this! Your visitors will be impressed they land on precisely what they want and will most likely browse and shop eBay -- with your affiliate ID. Then when they close the eBay browser window, they'll come back to your site and maybe they will click on your AdSense ads -- or anything else you added. (Side Note: if you want to get popular fast, use keywords in the current news. Like ... Barak Obama, Hillary Clinton, Britney Spears, John McCain, Valentine's Day, etc.) So How Much Money Can You Make? Make between 50 and 75 of eBays Revenue on Winning Bids or Buy It Now transactions.
