A complete step by step guide to creating sales pages that pull incredible profits and convert like crazy. Find out my exact methods of holding every visitor's attention from beginning to end and practically forcing them to pull out their wallets! From: The desk of *YOUR NAME* Date: How much profit has passed you by because your sales pages are not what they could be? How many times have you created a sales page for any product, and sent massive amounts of hungry visitors to it with no results? Wouldn't it be great if every single person that saw your sales page was hooked from the very beginning? You would barely have to do any work at all. All it takes is the right methods and there is a way to make that happen... Believe me when I say that I know exactly how you feel. Just a few years ago, I was exactly where you are. I would work for hours to create my sales page, but when visitors came, no one was buying. What was I doing wrong? I kept tweaking and modifying. I saw my visitor count keep rising, but my sales were stuck at just about zero. Just like you probably have, I tried reading e-books about how to make a sales page more attractive. I tested and tweaked for hours and hours. I even listened to the advice of the gurus that really just want your money. So one day, I got sick of it all! I started spending hours and hours studying the copy writing techniques of the net's best writers. That's when it came to me... There is an exact formula to creating the perfect sales page! It all came to me after days and days of studying for hours on end. I found discovered simple steps to create profit pulling sales pages that converted like crazy! The best part is that I found I could re-use the same steps over and over again for every sales page that I created and I still got great results! No longer did I spend hours drawing up weak sales pages that got visits but didn't result in any purchases. I could use my new success formula over and over and over again. It didn't matter what kind of product I was selling. After a while, I began creating sales pages for other professionals! I got so good at it that I charged close to \$100 for every sales page that I created for a new client. The best part is that I just had to follow the exact formula that I had already

created and it ran like clockwork! The conversions were incredible! So one day I decided that I would write all of this down in one amazing manual. What I ended up with was a power packed 52 page manual that reveals some of the best kept secrets of copy writing and sales page creation... Here's what I included in my manual... My exact formula for creating profit pulling sales pages that convert time and time again - the easy to follow formula will effortlessly guide you through creating the best sales pages over and over again in no time at all!
