Men Are From Mars Women Are From Venus - Audiobook The Classic Guide to Understanding the Opposite Sex PERSONAL USE RIGHTS ONLY! Once upon a time, Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to Earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Dr. John Gray explains how these differences can come between the sexes and prohibit mutually fulfilling, loving relationships. Based on years of successful counseling of couples and individuals, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Now available in its complete, unabridged form, Men Are From Mars, Women Are From Venus is an invaluable tool for developing deeper and more satisfying relationships.
