"There's a great big online world of free, quality content out there, and quite frankly, you're probably missing out on most of it because it's too hard to find... ... That's going to change, starting today!" How would you like to: *Discover a Web you never knew existed, bursting with things that you'll find useful, valuable, interesting, and entertaining? *Put your time online into content-consumption overdrive - less time searching, more time finding and enjoying the things you want? * Get help/how-to's/answers for all those projects you have on your plate *Make smarter decisions on the products you buy, and the things you invest your time and resources in. Did you know that search is now the #2 most popular activity people do online. For some people, it's #1... Why? Because we're born to be information junkies. Our brains love to consume content - enjoy it, learn from it, and share it, and these days, the Web feeds that need like nothing else... The thing is - the Web is overflowing with all sorts of great, quality content about any subject you can imagine. There are tutorials, ebooks, tips, audio clips, video clips, articles, news stories, discussion groups and more about everything from digital photography to Vietnamese cuisine - whatever you want - if you know where to find it and how to get your hands on it... When it comes to discovering quality content online, most people only scratch the surface of utilizing the power of the search tools that are available to them online. InfoFinderPro - Your Personal 'Answer/Content-Machine'! * Gives you one-click access to some of the most powerful search technologies on the planet, including specialized search engines that go way beyond what Google, Yahoo, and MSN can do * Exposes advanced search capabilities that many search engines offer, but most people don't even know exist - and let's you easily tap their power to find exactly what you're looking for * Increases the quality of content you find online - guaranteed! * Is easy to use due to its unique, professionally-designed, intuitive interface - no clutter, bloat, or clumsy dialog boxes * Saves you time - potentially hours a week, depending on how much you use it * Gives you the edge in finding practically any kind of content you want on practically any subject you can imagine * Makes searching online an absolute blast! You never realized what amazing discoveries exist online for free No Limits/No Boundaries Multi-Multi-Multimedia Explore People, Places, and Things Learn A Thing Or Two, Or Three! Your Query Is A Powerhouse The Smartest Search Box On
