The secret combination to boost sales incredibly!"Stop Your Website Visitors From Running Away Screaming!" GRAB Hold Of Their Attention And Put More Money In Your Wallet NOW! This Revolutionary New Software Will Work For You Even If Your Website Is Brand New And You Haven't Made Your First Sale Yet! If you long to have visitors stay on your website for more than a few seconds and are frustrated when your visitors leave before they buy ... you're going to love this! I'm going to pull back the curtain and show you exactly why Video Testimonial Machine is critical to your success how to turn more visitors into buyers and why you need to get you hands on this software NOW! The Secret Is To Make Your Website So 'Sticky' That You'll Stop Your Visitors In Their Tracks! You work hard to bring visitors to your website - but how can you keep them there? How do we do this? With Social Proof! Social proof that is so compelling, so riveting that you'll grab and hold your visitors' attention when they see a smiling face, hear a comforting voice reciting passionate words that appeal to their emotions. You can use testimonials to attract the attention of your visitors and keep it, all the while causing them to drop their guard and eagerly listen to your sales message. When your visitors' eyes are drawn to your customers' faces, amazing things start to happen! What makes this so sticky? You just made an emotional connection with your visitor - a lasting impression. That's Social Proof ... and it means more money in your wallet! Why am I telling you this? Because it has been proven that testimonials attract and keep the attention of visitors to websites. When they are drawn to a video of your customers' faces, amazing things happen. We use different parts of our brain when we visualize pictures, read words and listen to an audio. When you use multiple streams of communication to connect with your visitor, you create a lasting impression. What are multiple streams of communication? Moving pictures AND audio! Social proof that is so compelling, so riveting that you grab and hold your visitor's attention when your previous customers talk to them (audio), show a smiling face (video) and appeal to their emotions. Use Testimonials To Unleash The Most Effective Sales Force In The World! What do I mean by "the most effective sales force in the world"? ...and who are they? The most effective sales force in the world are

your loyal, happy customers. The ones who buy from you over and over again. Every time you come out with a new product, you know that they'll be first in line to buy it. Why? Because they know you, like you and trust you because you have formed a lasting relationship with them. As long as you come out with new products - they will buy from you over and over again. "My Product Is Brand New, I Don't Have Any Customers Yet! What Can I Do To Capture Social Proof?" In this case, you simply contact a few respected, known experts in your field and ask them to review your product. You explain that you need objective reviews from people that are well respected in the industry and, are willing to give them a copy of the product for FREE in exchange for their Video Testimonial. You could also offer a higher than normal affiliate commission if they are also interested in promoting your product. You can also offer to reciprocate promotion of their products, place a link on your site to theirs etc. The possibilities are pretty near endless.
