"In a world where everyone is obsessed by self image and looks, looks matter" And yes, people really do judge a book by it's cover..... Who Else Wants To Create Amazing E-Cover Images Directly From Their PC In Under 3 Minutes With Just A Few Mouse Clicks To Skyrocket Their Product Sales By At Least 72?!

This really cool software will quickly and easily transform your images into 3d e-Covers that will make your website look like a million bucks! Introducing Easy E-Cover Creator Software! You work very hard...day in and day out to get traffic (free and paid) to your site, only to have your visitor leave because your website looks "junky and unprofessional!" The truth is, nobody wants to buy trash! That's exactly what's in the visitors mind when they see your website that doesn't have a professional e-Cover representing your 'fabulous' product. I mean, don't get me wrong. You may have the best product in the world, and you'll know that - but if your site looks trashy, your products must be too right? It's just some simple in-built psychological association that people have. Here's a simple example... I'm a movies freak and I watch a lot of movies. I see so many that I now get selective as to which ones I will watch and rent on DVD. So to filter down and decide which one I will pick as I skim through the movie covers. When I find a cover that catches my eye, I'll go into the film details and check out what it's about. This in-built association doesn't just stop there. Good looking and attractive people in general are treated better in life...no need to debate that, it's a fact. That statement flows over to other things in life that are good looking, and people will give such things preference and their time. Attractive, professional e-Covers will catch the interest of your market, no question. - Don't have big money to spend on expensive software? - Don't have a creative bone in your body? Well don't worry because... Now You Can Create Stunning E-Cover Boxes, CD's, DVD's, eBooks And More With Our Amazing E-Cover Creator! With Easy E-Cover Creator You Will Be Able To... * Quickly and easily create 15 different e-Cover styles on the fly * Not have to worry about installing complex or expensive action scripts * Import .psd, jpg, gif, bmp or .png images directly into the software * Create amazing looking e-Covers with just a few mouse clicks * Save valuable time and money trying to learn other action scripts * Make your website look more professional and clean looking.
