From Jimi Hendrix to Megadeth, metalheads can be obsessive over their favorite hard-rockin' tunes. This collection features the end result of a massive poll in which metal minions were asked to list their top heavy metal songs from the late 1960s through 2001. The top 500 are listed here, complete with interviews from each band offering their recollections of the creative process in creating these classic tracks. In addition, dozens of top rockers have included their personal picks for the best songs ever. Also included are rare cover images from 7-inch, 12-inch, and CD singles. From AC/DC to ZZ Top, metal fans have a new tome to bang heads over.
