Social Site Matrix How To Generate Hyper Traffic From The Social Matrix! A Simple Way To Get Traffic To Your Site!.. "Now You Too Can Generate A Hyper Matrix Of Traffic To All Your Websites Within A Matter Of Hours!" New Video Series Reveals 9 'Under-The-Radar' Social Networks That Won't Cost You A Penny To Use!.. Do you have a product or service that is targeted towards a certain niche or market but dont know how to get the word out? Well then this video series is just what you need to generate a steady stream of traffic to your sites and ultimately convert a large portion of that traffic into sales! And if you didn't already know, after paid advertising the most easiest and cost-effective ways of generating traffic to your site is through the use of social media sites. Simply set up an account on a social media site and customize your profile with images, videos, and content so that people find it interesting and informative. If you can convince people that youre a real person offering a product that theyll find useful then theyll be much more likely to follow the links on your social media profile back to your ecommerce website. The more traffic you generate will result in an increase in sales! Unfortunately This Is Where Most People Get It Wrong! In this video series youll be introduced to a wide range of social media sites, from the most popular to the ones just starting to take off. They cover a wide range of categories from photo and video sharing sites to business and family oriented networks. By signing up for each of these sites youll ensure that every demographic is covered and anyone looking for your particular niche will surely find it. In each video youll be walked step by step through the sign up process, and shown how to customize your account in order to optimize your ranking within the sites framework. For each site youll be given tried and tested tips that will allow you to use the site to its fullest potential and generate a steady stream of traffic back to your ecommerce site. If you follow the instructions for each of the social media sites addressed in the video series youll quickly generate a massive amount of traffic to your site. Youll be amazed at just how many back links youll have to your site... In Literally A Few Hours! Once youve got traffic coming to your site all you have to do is offer a useful product and youll see an astronomical increase in traffic, leads and sales. For most ebusiness owners the difficulty isnt coming up with a desirable product but rather getting the right people to see your product. This video series overcomes that issue and can be

repeated over and over with any and all of your products. Once you understand the process and how to utilize social media networks to their fullest extent you'll be able to apply the system to any new social media sites that come up in the future. This is an invaluable video series for anyone looking to generate or increase traffic flow to their site. Let me reveal to you what's inside this new video series..

- \* Video #1 - How To Use Bravisa In video one you'll learn about a website called Bravisa which allows you to make money by selling their products all over the internet. First, you'll learn how to sign up and become a member. Then you'll be walked step by step through the process of setting up and customizing your store, and then learn how to promote it so you can start making money in a matter of minutes.
- \* Video #2 - How To Use Broadcaster Video two introduces you to a site called Broadcaster.com. Here you can upload and manage many different types of video formats which can be used to drive traffic to your sites and promote a certain niche. You'll be shown how to set up an account and structure your profile in such a way that will guarantee a steady flow of traffic to your websites.
- \* Video #3 - How To Use Fotolog In video three you'll learn about Fotolog.com, which is a site dedicated entirely to uploading and managing photos. The site has over 18 million users and a very high Alexa rating so it can be very helpful in generating traffic flow to your site. You'll be walked step by step through the process of signing up and optimizing your page so that people will be more likely to find it and follow the links to your site. In addition, you'll learn how to use many of the interesting features within the Fotolog that can increase the likelihood of people finding your page.
- \* Video #4 - How To Use Gather Video four is dedicated solely to a site called Gather which is a great tool for uploading many different types of content onto the web and promoting your particular niche. You'll be taken through the sign up process and then shown how to use just about every one of the sites features. Additionally, you'll be shown how to create groups if they don't already exist for your niche, as well as learn which type of media are best suited for generating traffic to your website.
- \* Video #5 - How To Use Multiple In video five you'll learn about a site called Multiply.com, which is considered a family friendly social media site that's very popular and great for generating traffic flow. You'll be walked step by step through the process of setting up an account, customizing your profile page, as well as learn many useful tips to get the most benefit out of Multiply.com.
- \* Video #6 - How To Use Ning Video six will discuss Ning which is a rapidly growing site used for the creation of social networks. Video six will walk you through the set up process and teach you how to use just about every aspect of the site. You'll learn how to customize your Ning home page and utilize all the different features including widgets, blog posts

and YouTube videos to make your Ning site as attractive as possible and ultimately lead to an increase in traffic to your ecommerce site. \* Video #7 - How To Use Ryze Video seven will introduce Ryzewhich is predominantly a business social networking site but can be used to your own advantage to generate traffic and back links to your site. Youll be shown how to set up an account, edit your profile, change your preferences, find other people in your particular niche, as well as utilize many more of Ryzes features to help promote your site. \* Video #8 - How To Use Squidoo In video eight youll learn about a site called Squidoo which has become very popular on account of their lens system. Youll be walked step by step through the sign up and set up process, as well as learn how to navigate the Squidoo platform and use it to its maximum extent. In addition, youll be given some useful tips to ensure that your ranking within Squidoo is kept as high as possible so your lens is one of the first to come up when people search within your particular niche. \* Video #9 - How To Use Yahoo 360 Video nine will discuss a fairly new social networking site called Yahoo 360. Youll learn how to set up an account, customize your page, as well as some insider tips that will ensure your Yahoo 360 page is one of the first to come up when people are looking for your niche. In addition, youll be shown some successful examples so you can see what it takes to produce a high ranking Yahoo 360 profile. Reseller Tools \* Includes Sales Page, Affiliates Page, Order Page, Email Autoresponders (7), Transcripts, PSD Graphics (source)
