Article Content Spinner is flat out the easiest content changing system on the market. It's truly, point and click. Creating professional, thought provoking content has never been so easy or enjoyable to put together. There's a sense of pride that comes with providing quality content to your Internet visitors while snagging loads of Search Engine traffic in the process. In a world of auto-generated, garbage sites that offer absolutely nothing of value to the visitor, the search engine or the real world, it's easy to stand out if you have some original content which Article Content Spinner is going to create for you! Here are just a few of the smoking hot features you'll get access to... Simple As Pie Interface- You won't be wondering what to do or how to use this system because it's so easily laid out that a 10 year old could use it. True Point & Click Content Creation - It couldn't get any easier. You simply load an article and it gives you a bunch of options for customizing and personalizing the article at the click of a button! Never Worry About Duplicate Content Again! - You'll never have to worry about being penalized for duplicate content again because Article Content Spinner is going to create loads of unique, original content for you to serve up to the search engines. Readable, Well Flowing Articles And Content - Unlike many other content spinning programs, Article Content Spinner creates beautiful flowing content that is a pleasure for your visitor to read! The others create a mixed up mess that rarely makes sense. Extreme Control - You approve or deny each change that is made to your articles to make sure that they make sense and are readable to the search engines and your visitors. This is done without any typing! Create Articles Super Fast- You can spin an article in just a few seconds and a couple of clicks and you'll have an original piece of content ready to serve to search engines and visitors. You can pump out hundreds of articles in this amazing software in under an hour! Versatile Options - You can load your content from a text file, a website URL or just copy and paste it into the system so you can be sure that it will work on any of your content customization projects. This product include of ready made web site allowing you to resell this software instatly. Additional items such as graphics, marketing articles, promotional text and other items may also included with the package as well.
