Happy customer says: "Had my first \$10+ day from AdSense after using your theme on a handful of sites... "Your Struggle is Over! Copy My \$334 Per Day Formula using Simple (but Ingenious) Wordpress Blogs and AdSense "Frustrated Marketing Newbie Goes to War Armed Only With Slick Wordpress Theme and AdSense Crusher System and One Month Later Gives Boss the Middle Finger" Hey, My name is Gabriel and I'm not one of the IM gurus that promise you overnight riches. What I can do for you though, is let you have a peek at my AdSense blueprint generating almost 5 figures a month now. What's really amazing is that no special tricks are involved, just simple Wordpress blogs and AdSense ads that anyone has access to. AdSense Crusher will reveal to you: \* My personal 5 figures a month with AdSense recipe \* An easy system any newbie can follow even though they never had a site online \* The exact template we use to get incredible clickthrough rates \* Responsive email support to help you when you're stuck \* Advice from a marketer who walks the talk for a change \* Regular updates, when Google changes AdSense Crusher adapts The techniques you're about to discover are all white hat, no dirty tricks involved, although making money this easy should be immoral. So, What is the AdSense Crusher System anyway? Glad you asked. If you decide to purchase the Crusher System you'll get instant access to: \* My Secret Marketing System (I've been told the marketing guide it's worth the price alone) \* The Slick Wordpress Theme (get access to our highly customizable AdSense template) \* Outstanding Support (we will patiently guide you when you are stuck and help you solve the problems you encounter the best we can) Understanding the first part, The Crusher Marketing System It is no shocker that in order to make money with AdSense (or any online venture) you need traffic, lots of traffic. The Crusher Marketing System AdSense has prohibited arbitrage techniques some time ago, so that's out of the question. We need to have organic search engine traffic in order to make this work. We're going to go step by step through simple tactics that applied correctly will bring in thousands of visitors from Google every single day like clockwork. Although we're not going to give any spoilers here, in the marketing ebook we introduce you to 3 promotional techniques that can be employed to boost rankings and make Google fall in love with your site. We're going to leverage other people's hard work and know exactly what will work

for us. This has been talked about before, however it's surprising that some of the core details have been left out in every course I've gone through. In most cases, when we're going after a keyword, we'll take over the second page of google's results. If we have 5 or 6 web 2.0 properties in the second page of results all pointing to our blog post, it's just a matter of time till our blog post will pop up high in the first page. more info:crushersystem Get IT Now with special price The AdSense Crusher System and The Slick Theme Just \$7 (limited for 11 buyer) Tags: wp
