Becoming The Richest Man In Post Modern Babylon Comes With Master Resell Rights + Giveaway Report Collections Of Money Related Wisdom Gathered From Timeless Principles And Parables. What is your present cash and success design, and what results is it subconsciously moving you towards? Are you set for success, averageness, or financial failure? Are you programmed for conflict or for ease around income? Are you set for working hard for your cash or working in balance? Are you conditioned for having a uniform income or an inconsistent income? Are you set for having an elevated income, a moderate income, or a low income? Did you know there are actual dollar amounts for which a lot of us are programmed? Are you set for earning \$20,000 to \$30,000 a year? \$40,000 to \$60,000, \$75,00? The point I wish to make is that the actual amounts dont matter. Are you programmed for saving cash or for spending cash? Are you programmed for handling your cash well or mishandling it? Are you set for picking winning investments or picking losers? You may wonder, How could whether or not I make cash in the stock exchange or in real property be part of my design? Easy. Who picks the stock or the property? You do. Who picks when you purchase it? You do. Who picks when you sell it? You do. I guess youve got something to do with the equation. Once again, your cash design will decide your financial lifeand even your personal life. If you are a woman whose cash design is set for low, chances are you'll draw in a man who's likewise set for low so you are able to remain in your financial comfort zone and validate your design. If you are a man who is set for low, chances are you'll draw in a woman who's a spender and does away with all your cash, so you may stay in your financial comfort zone and validate your design.
